2. Policy Objectives and Scope

2.1 Purpose – Identify applicable laws, standards and contractual commitments and keep proof of conformance.

2.2 Scope – All products, data processing activities, jurisdictions of operation and contractual obligations.

2.3 Regulatory Obligations List

- Maintain a plain-language list of relevant legal and industry requirements.
- Mark each entry **Applies** or **N/A** with a short justification.
- Review the list semi-annually or upon market expansion.

2.4 Compliance Register

- For every applicable requirement record: Internal Control Reference and Evidence Link.
- Refresh evidence at least annually; schedule reminders before links expire.
- Flag any missing evidence as a **Gap**.

2.5 Regulator & Customer Liaison

- Use a dedicated email alias forwarding to compliance contacts.
- Acknowledge external compliance enquiries within 48 hours.
- Log date, question and resolution reference in the Compliance Register.

2.6 Evidence Review

- Conduct a 30-minute annual sweep to update links and close gaps.
- Record the review date in the register header.

3. Policy Compliance

3.1 Compliance Measurement – No evidence older than 12 months; zero gaps open beyond 30 days.

3.2 Exceptions – Deferred items require documented justification and target date approved by senior management.

3.3 Non-Compliance – Unanswered enquiries or overdue gaps escalated to the next management meeting and added to the work backlog.

3.4 Continual Improvement – After each audit or major customer questionnaire, adjust evidence format to streamline future requests.
